## Dress Policy

A safe and disciplined learning environment is essential to a good school. Uniform dress standards are one positive and creative way to reduce discipline problems and increase school safety. The positive benefits of uniform dress standards include:

- increasing security by making it obvious who is not supposed to be on campus
- helping parents by reducing the cost of being fashionable
- helping students resist peer pressure
- instilling students with discipline
- encouraging modesty and a neat appearance
- facilitating school pride and improving the school climate
- setting the tone of the classroom as a serious place for learning

With these positive benefits in mind, PLA has chosen RC Uniforms exclusively. This assures PLA has a true “uniform appearance” with consistent colors, styles, logos, etc. All students enrolled at Promise Land Academy must wear the designated uniform purchased from specified vendor. This policy pertains to all articles of clothing: shirts, cardigans, pants, shorts, skirts, jumpers, and culottes.

When a student is out of dress code we will try to resolve the situation. If this is not possible or reasonable, we will call a parent to bring a change for the unauthorized item before the student returns to class.

This will allow your child greater comfort with temperature changes in various classrooms, the chapel, and the dining hall throughout the school year.
